

St Mary's CE(A) First School: Design and Technology Skills Progression

Learning to love
Loving to learn

	EYFS	Year One	Year Two	Year Three	Year Four
Designing	<p>Can I use appropriate resources?</p> <p>Can I use gestures, talking and arrangements of materials and components to show design?</p> <p>Can I use contexts set by the teacher and myself?</p> <p>Can I use language of designing and making (join, build, shape, longer, shorter, heavier, etc.)</p>	<p>Can I have my own ideas?</p> <p>Can I explain what I want to do?</p> <p>Can I explain what my product is for, and how it will work?</p> <p>Can I use pictures and words to plan, begin to use models?</p> <p>Can I design a product for myself following design criteria?</p> <p>Can I research similar existing products?</p>	<p>Can I have own ideas and plan what to do next?</p> <p>Can I explain what I want to do and describe how I may do it?</p> <p>Can I explain purpose of product, how it will work and how it will be suitable for the user?</p> <p>Can I describe design using pictures, words, models, diagrams, begin to use ICT?</p> <p>Can I design products for myself and others following design criteria?</p> <p>Can I choose best tools and materials, and explain choices?</p> <p>Can I use knowledge of existing products to produce ideas?</p>	<p>Can I begin to research others' needs?</p> <p>Can I show design meets a range of requirements?</p> <p>Can I describe purpose of product?</p> <p>Can I follow a given design criterion?</p> <p>Can I have at least one idea about how to create product?</p> <p>Can I create a plan which shows order, equipment and tools?</p> <p>Can I describe design using an accurately labelled sketch and words?</p> <p>Can I make design decisions?</p> <p>Can I explain how product will work?</p> <p>Can I make a prototype?</p> <p>Can I begin to use computers to show design?</p>	<p>Can I use research for design ideas?</p> <p>Can I show design meets a range of requirements and is fit for purpose?</p> <p>Can I begin to create own design criteria?</p> <p>Can I have at least one idea about how to create product and suggest improvements for design?</p> <p>Can I produce a plan and explain it to others?</p> <p>Can I say how realistic plan is?</p> <p>Can I include an annotated sketch?</p> <p>Can I make and explain design decisions considering availability of resources?</p> <p>Can I explain how product will work?</p> <p>Can I make a prototype?</p> <p>Can I begin to use computers to show design?</p>
Making	<p>Can I use various construction materials?</p> <p>Am I beginning to construct, stacking blocks, making enclosures and creating spaces?</p> <p>Can I join construction pieces together to build and balance?</p> <p>Can I manipulate materials to achieve a planned effect?</p> <p>Can I construct with a purpose in mind, using a variety of resources?</p> <p>Can I use simple tools and techniques competently and appropriately?</p> <p>Can I select tools and techniques needed to shape, assemble and join materials I am using?</p> <p>Can I replicate structures with materials/components?</p>	<p>Can I explain what I'm making and why?</p> <p>Can I consider what I need to do next?</p> <p>Can I select tools/equipment to cut, shape, join, finish and explain choices?</p> <p>Can I measure, mark out, cut and shape, with support</p> <p>Can I choose suitable materials and explain choices?</p> <p>Can I try to use finishing techniques to make product look good?</p> <p>Can I work in a safe and hygienic manner?</p>	<p>Can I explain what I am making and why it fits the purpose?</p> <p>Can I make suggestions as to what I need to do next?</p> <p>Can I join materials/components together in different ways?</p> <p>Can I measure, mark out, cut and shape materials and components, with support?</p> <p>Can I describe which tools I'm using and why?</p> <p>Can I choose suitable materials and explain choices depending on characteristics?</p> <p>Can I use finishing techniques to make product look good?</p> <p>Can I work safely and hygienically?</p>	<p>Can I select suitable tools/equipment, explain choices; begin to use them accurately?</p> <p>Can I select appropriate materials, fit for purpose?</p> <p>Can I work through plan in order?</p> <p>Can I consider how good product will be?</p> <p>Can I begin to measure, mark out, cut and shape materials/components with some accuracy?</p> <p>Can I begin to assemble, join and combine materials and components with some accuracy?</p> <p>Can I begin to apply a range of finishing techniques with some accuracy?</p>	<p>Can I select suitable tools and equipment, explain choices in relation to required techniques and use accurately?</p> <p>Can I select appropriate materials, fit for purpose; explain choices</p> <p>Can I work through plan in order?</p> <p>Can I realise if product is going to be good quality?</p> <p>Can I measure, mark out, cut and shape materials/components with some accuracy?</p> <p>Can I assemble, join and combine materials and components with some accuracy?</p> <p>Can I apply a range of finishing techniques with some accuracy?</p>

Evaluating	<p>Can I select appropriate resources and adapt work where necessary?</p> <p>Can I dismantle, examine, talk about existing objects/structures?</p> <p>Can I talk about how things work?</p> <p>Can I look at similarities and differences between existing objects/materials/tools?</p>	<p>Can I talk about my work, linking it to what I was asked to do?</p> <p>Can I talk about existing products considering: use, materials, how they work, audience, where they might be used?</p> <p>Can I talk about existing products, and say what is and isn't good?</p> <p>Can I talk about things that other people have made?</p> <p>Can I begin to talk about what could make product better?</p>	<p>Can I describe what went well, thinking about design criteria?</p> <p>Can I talk about existing products considering: use, materials, how they work, audience, where they might be used; express personal opinion?</p> <p>Can I evaluate how good existing products are?</p> <p>Can I talk about what I would do differently if I were to do it again and why?</p>	<p>Can I look at design criteria while designing and making?</p> <p>Can I use design criteria to evaluate finished product?</p> <p>Can I say what I would change to make design better?</p> <p>Can I begin to evaluate existing products, considering: how well they have been made, materials, whether they work, how they have been made, fit for purpose?</p> <p>Can I begin to understand by whom, when and where products were designed?</p> <p>Can I learn about some inventors/designers/engineers/chefs/ manufacturers of ground-breaking products?</p>	<div data-bbox="1720 86 2143 373" style="border: 1px solid black; width: 100%; height: 100%;"></div> <p>Can I discuss by whom, when and where products were designed?</p> <p>Can I research whether products can be recycled or reused?</p> <p>Can I know about some inventors/designers/engineers/chefs/manufacturers of ground-breaking products?</p>
Technical knowledge	<p>Do I realise tools can be used for a purpose?</p>	<p>Can I begin to measure and join materials, with some support</p> <p>Can I describe differences in materials?</p> <p>Can I suggest ways to make material/product stronger?</p> <p>Can I begin to use levers or slides?</p> <p>Can I measure, cut and join textiles to make a product, with some support?</p> <p>Can I choose suitable textiles?</p>	<p>Can I measure materials?</p> <p>Can I describe some different characteristics of materials?</p> <p>Can I join materials in different ways?</p> <p>Can I use joining, rolling or folding to make it stronger?</p> <p>Can I use own ideas to try to make product stronger?</p> <p>Can I use levers or slides?</p> <p>Can I begin to understand how to use wheels and axles?</p> <p>Can I measure textiles?</p> <p>Can I join textiles together to make a product, and explain how I did it?</p> <p>Can I carefully cut textiles to produce accurate pieces?</p> <p>Can I explain choices of textile?</p> <p>Can I understand that a 3D textile structure can be made from two identical fabric shapes?</p>	<p>Can I use appropriate materials?</p> <p>Can I work accurately to make cuts and holes?</p> <p>Can I join materials?</p> <p>Can I begin to make strong structures?</p> <p>Can I select appropriate tools / techniques?</p> <p>Can I alter product after checking, to make it better?</p> <p>Can I begin to try new/different ideas?</p> <p>Can I use simple lever and linkages to create movement?</p> <p>Can I join different textiles in different ways?</p> <p>Can I choose textiles considering appearance and functionality?</p> <p>Can I begin to understand that a simple fabric shape can be used to make a 3D textiles project?</p> <p>Can I use simple circuit in product?</p> <p>Can I learn about how to program a computer to control product?</p>	<p>Can I measure carefully to avoid mistakes?</p> <p>Can I attempt to make product strong?</p> <p>Can I continue working on product even if original didn't work</p> <p>Can I make a strong, stiff structure?</p> <p>Can I select most appropriate tools / techniques?</p> <p>Can I explain alterations to product after checking it?</p> <p>Can I grow in confidence about trying new / different ideas?</p> <p>Can I use levers and linkages to create movement?</p> <p>Can I use pneumatics to create movement?</p> <p>Can I think about user when choosing textiles?</p> <p>Can I think about how to make product strong?</p> <p>Can I begin to devise a template?</p> <p>Can I explain how to join things in a different way?</p> <p>Can I understand that a simple fabric shape can be used to make a 3D textiles project?</p> <p>Can I use number of components in circuit?</p> <p>Can I program a computer to control product?</p>

Cooking and Nutrition

Can I begin to understand some food preparation tools, techniques and processes?
 Can I practise stirring, mixing, pouring, blending?
 Can I discuss how to make an activity safe and hygienic?
 Can I discuss the use of my senses?
 Can I understand the need for variety in food?
 Can I begin to understand that eating well contributes to good health?

Can I describe textures?
 Can I wash hands & clean surfaces?
 Can I think of interesting ways to decorate food?
 Can I say where some foods come from, (i.e. plant or animal)?
 Can I describe differences between some food groups (i.e. sweet, vegetable etc.)?
 Can I discuss how fruit and vegetables are healthy?
 Can I cut, peel and grate safely, with support?

Can I explain hygiene and keep a hygienic kitchen?
 Can I describe properties of ingredients and importance of varied diet?
 Can I say where food comes from (animal, underground etc.)
 Can I describe how food is farmed, home-grown, caught
 Can I draw eat well plate; explain there are groups of food
 Can I describe "five a day"
 Can I cut, peel and grate with increasing confidence

Can I carefully select ingredients?
 Can I use equipment safely?
 Can I make product look attractive?
 Can I think about how to grow plants to use in cooking?
 Can I begin to understand food comes from UK and wider world?
 Can I describe how healthy diet/ variety/balance of food/drinks?
 Can I explain how food and drink are needed for active/healthy bodies?
 Can I prepare and cook some dishes safely and hygienically?
 Can I grow in confidence using some of the following techniques: peeling, chopping, slicing, grating, mixing, spreading, kneading and baking?

Can I explain how to be safe/hygienic?
 Can I think about presenting product in interesting/ attractive ways?
 Can I understand ingredients can be fresh, pre-cooked or processed?
 Can I begin to understand about food being grown, reared or caught in the UK or wider world?
 Can I describe eat well plate and how a healthy diet/variety / balance of food and drinks?
 Can I explain importance of food and drink for active, healthy bodies?
 Can I prepare and cook some dishes safely and hygienically?
 Can I use some of the following techniques: peeling, chopping, slicing, grating, mixing, spreading, kneading and baking?
