Walk to School Week

19th-23rd May

Can you make a difference and walk to school during one week in May? You can focus on different things as you walk to school!

Monday - a walk before school can help you to do better in class because you arrive refreshed and ready to learn.

Tuesday - lots of cars increase pollution, walking creates clean air.

Wednesday - walking improves fitness, health and mental wellbeing.

Thursday - walking creates mindfulness which helps us to feel calm and ready.

Friday - walking develops friendships which create chatter and laughter.

Friday 23rd May

The children in **Bears** will be leading the service at St Mary's Church on **Friday 23rd May at 9.30am**. We will be walking to church at 9am.

Families are invited, and we really need help to walk to the church - the more helpers we have, the safer our walk is. **Please let your teacher know on Showbie if you are helping to walk the children to church. You can also sign up on the sheet on your window, nearer the time.**

Parking - Please park respectfully at the back of school. Please don't park on the grass around the old bakery or block the garage or gates to the allotments. Thankyou
