National Competition Winners

**IF YOU WERE AN
ENGINEER
WHAT WOULD YOU DO?**

5 of our children were chosen as winners from over 75000 entries.

They were presented with their awards at a fantastic ceremony at Coventry University last night, proudly representing our school and their families.

KS1 visit to Bramshall Park

Y1 and Y2 enjoyed a walk to the park this week as part of their local study in Geography and Science. Our roving reporter, Eva, said, "playing on the park was fantastic, we had to use our maps to locate features in the park, we went into the woods which reminded us about our story, "Into the Forest" by Anthony Brown. We had a great time!"

KS2 trip to the Potteries Museum

Y3 and some Y4 children had a great trip to the museum. Our reporters, Zoe and Sophie, said "We liked the Spitfire, it was amazing, we saw lots of art which was very creative, we saw the Staffordshire hoard, and pieces of Anglo-Saxon helmets, we learned lots of facts and saw artefacts which help us to learn about history. The best bit was everything (but not the skeletons!!)
