Monday 15th June

This week is Cystic Fibrosis awareness week. One of our children has this condition, which affects his lungs and digestion, and general health. Despite the daily challenges that come with living with cystic fibrosis, he continues to face each school day with remarkable courage and determination. He arrives with a smile on his face, ready to learn, participate, and make the most of every opportunity. His resilience inspires those around him, as he refuses to let his condition define him or hold him back. To help raise awareness, we will be wearing a little bit of yellow (t-shirt, sock, hair bobble, jumper etc) on **MONDAY 15th JUNE** - and bringing in a donation of £1.00 please - all money raised will be sent to the Cystic Fibrosis Trust 

Photographs

Year 4 Leavers and our Reception children will be having class photographs on **Tuesday 16th June**. This is a tradition - our youngest children and our oldest children!!
School uniform please (Y4 Leopards may bring PE kit to change into afterwards, ready for swimming if you want to!)

Great Science Share-Tuesday

The Great Science Share is a national initiative designed to inspire children to engage in scientific enquiry, develop skills and raise the Science profile in school. We will be Science communicators, sharing investigations and findings with everyone - prepare to ask questions when your child gets home!!

Worship

This week, we have been thinking about trust - some children helped to act out the story of Jesus calming the Storm in our worship this week, and we talked about how sometimes we need to calm the storm within us, when we are feeling cross or frustrated, and Jesus will help us, and we can trust in Him.

Jordan led our worship on Monday and also helped us to understand the value of trust - thinking about who we can trust, and what makes us trustworthy.

Attendance

This week's attendance is **95.5%**
 Our attendance would have been 96.7% without lates and holidays. Please be honest about taking holidays in term time and fill out the request form from the office before you go.

Celebration Worship on **Friday 19th June**
No Worship Today

If it is your child's birthday, next week, we will celebrate it on Friday 26th June.

Calm and confident

This is what our Year 4 children were this week - confidently having a go at their multiplication tables check!! And our Year 1 children gave the phonics check their absolute best! We are very proud of them all.

Your child's results have to be submitted to the DfE, and the pass mark will be confirmed later this month, we will then be sent the results at the beginning of July and they will go into your child's school report.
