

ST MARY'S CE (A) FIRST SCHOOL POLICY DOCUMENT FOR NO SMOKING

"Our Vision is to provide the best opportunities to become life-long learners.

Our Christian values rooted in the Good Samaritan recognise everyone is loved by God.

Our ethos is to show love and respect - to ourselves, each other and God's creation."

Philosophy

Our school is a non-smoking, non-vaping, establishment, in order to promote a healthy working and learning environment for all children and adults. Our school does all it can to discourage children from smoking, and to educate them so that they grow up to lead a healthy lifestyle.

The Health Act 2006 (as amended) introduced legislation to make all enclosed workplaces and public places free from smoke from 1st July 2007. Smoking is regarded by the medical profession as the major cause of many illnesses. It is estimated that approximately 120,000 smokers a year die in the UK because of their smoking habit. Passive smoking, breathing in smoke from other people's cigarettes, has been shown to cause cancers, heart and breathing difficulties in non-smokers.

This policy prohibits smoking, including the use of e-cigarettes and vapes, or other tobacco products on the school site, including the playground and The Croft on the Heath. Any references to smoking in this policy include all of the above, including 'vaping'.

Aims

- To guarantee a smoke-free working environment (thereby complying with health and safety legislation and employment law) to protect the current and future health of children, staff and visitors to the school;
- To highlight to all who use the school's site that it is a 'smoke free' environment.
- To provide children, staff and families with a consistent message regarding tobacco use and provide appropriate role models.

Guidelines

- Smoking will NOT be permitted in any part of the school premises.
- The use of e-cigarettes/vapes will not be permitted in any part of the school premises.

- The smoking policy will apply to all activities held on school premises including those held during school hours and out of school hours. This includes all social and sporting events, and any meetings organised, which are attended by school employees as part of their work and /or visitors to such meetings/events.
- There will be NO designated smoking area provided within the school premises. No facilities for smoking in the workplace will be provided, although support will be given to smokers to assist them to stop smoking if they require it.
- Smoking is not permitted during school events held within or outside normal school hours anywhere in the school grounds or buildings.
- Organisations and clubs who use the school premises within or outside school hours are expected to adhere to the school's no smoking policy.
