

*Headteacher
St Marys Uttoxeter*

"Welcome to St Mary's and to our lovely school community. I am truly blessed to be the Head Teacher and to work alongside such fantastic staff, children and families. As the new term begins, we are seeing a different kind of normality in our school. We are all here and are glad to be back, but some of the things we were used to, have changed to accommodate the unprecedented times we are in at the moment. However, we are ready to embrace everything our new 'normal' has to offer. St Mary's is committed to providing love and respect for everyone who comes our way, providing opportunities for our children to learn, grow, care and be positive role models in life.

We have a strong team of staff and governors who are dedicated to providing high aspirations and a passion for life and learning, placing our children at the heart of everything we do. Our children are the 'Good Samaritans' of this community – helping, supporting, loving, showing kindness and empathy and taking on whatever comes their way, in the true spirit of St Mary's and God's word."
